

RECEIVED SEPTEMBER 1964

To the Senate scattered abroad, the Bishop and his Commanders of Fairland send greeting.

There is a great deal of talk about the "new" and "old" of the world, but the fact is that the world is always changing. The only thing that is constant is change. The world is a big, beautiful, and wonderful place, and it is always changing. The only thing that is constant is change. The world is a big, beautiful, and wonderful place, and it is always changing. The only thing that is constant is change.

and the fact that the probability of a person being a member of a group is not the same as the probability of a person being a member of a group of a certain size. This is because the probability of a person being a member of a group of a certain size is not the same as the probability of a person being a member of a group of a certain size.
